

Verdantix Climate Innovation Awards EMEA

Recognizing outstanding
achievements in the fields of
Sustainability & Climate Action

2024

The Verdantix Climate Innovation Awards EMEA recognize the people and organizations actively working to develop and implement innovative solutions to address climate change. The winners will be announced at the [Verdantix Climate Summit EMEA](#), taking place in London, 26th November 2024. This document provides you with guidance and the questions for entering the 2024 Verdantix Climate Innovation Awards EMEA. Entries must be submitted using the online form. Submit your entry [here](#).

There is no fee to enter the awards. Entries must be from projects conducted in or managed the EMEA region. See rules and guidelines for more information. Organizations that are eligible for an award are users of technology and services, not vendors. Vendors can nominate clients for an award. Questions, guidance and FAQs can be viewed on the awards website prior to submitting your entry.

Please provide contact details for the individual submitting the award nomination. We need this information so that we can let you know if you are selected as a finalist. We may also contact you for supplementary information. If you experience any issues completing the form, please reach out to ldrury@verdantix.com

Guidelines for Entry

TIMELINE

Deadline for nominations is **20 September 2024**

Finalists will be informed by **21 October 2024**

Winners will be announced on **26 November 2024**

[FAQs](#)

- **How do I enter?**

Entries must be submitted using the online form, which you can access [here](#). The deadline for submissions is 12pm GMT Friday 20th September 2024.

- **What is the deadline for entry?**

The deadline for submissions is Friday 20th September 2024.

- **My project was conducted globally, can I still enter?**

The Climate Innovation Awards EMEA are eligible for any project conducted in Europe, Middle East or Africa. Global projects which are led by teams in these regions are also eligible. Projects conducted in other regions will be disqualified, and instead should be entered into our Climate Innovation Awards Americas, which will launch in Winter 2024.

- **Do you have examples of winning entries?**

Winning entries are those that demonstrate real innovative thinking and tangible benefits. We encourage the inclusion of project details relating to the challenge, solution and results achieved.

- **How many words should I write?**

We encourage the use of succinct entries, which clearly demonstrate the project's challenge, benefits and achievements, and other information that will provide further understanding to the judges. Bullet points are fine to include.

- **Can I submit more than one entry?**

We advise against entering for more than one award. When selecting finalists, the judges will limit to one entry per corporate company or technology vendor.

- **When are the awards held?**

The awards will be held on the afternoon of Tuesday 26th November as part of the Verdantix Climate Summit EMEA 2024, which you can register to attend [here](#).

- **Can I attend the awards ceremony?**

Attendance at the awards ceremony is included with all tickets for the Climate Summit EMEA 2024. Register for your ticket [here](#). Table sponsorships are also available, please contact events@verdantix.com for more information.

- **I'm a technology vendor or services provider, am I allowed to enter?**

The winner of the award is the corporation or person using the technology. Technology vendors and services providers are able to enter on behalf of the corporation using the technology.

- **Is there a fee for entry?**

Entry to the awards is free.

- **Who judges the awards?**

The awards are judged by our independent panel of judges, chaired by David Metcalfe, CEO, Verdantix.
